

2012 HEFG Culinary and Management Championships

Friday March 23 2012, Kennesaw State University

Executive Chefs and restaurant executives judge Georgia's top culinary and management teams. Georgia's Master and Executive Chefs will determine who will represent their state at the National ProStart Invitational April 2012 in Baltimore, Maryland. Your donation will be used for the winning teams' travel costs. In 2011, Team Georgia's Culinary team won 3rd place. Help support Georgia's top talent.

For information about having your brand connecting with Georgia's top talent:
