2008 PHOENIX RISING SCHOLARSHIP AWARD

Each year a promising crop of future culinarians grow and mature within our state's high school culinary programs. These fine young men and women have the potential to become great and possibly have the opportunity to add their name to a long list of inspiring individuals like James Beard, Julia Child, Paula Dean, Michael Deihl, the list goes on and on.

The Phoenix Rising Scholarship Award for High School Students was created in a joint effort between the World Chefs Scholarship Foundation (WCSF) and the Hospitality Education Foundation of Georgia (HEFG) to give a push in the right direction to a budding talent.
